IMPORTANT LEGAL NOTICE

Varick Capital Partners LP is registered with the US Commodity Futures Trading Commission (CFTC) as a Commodity Pool Operator (CPO) and as a Commodity Trading Advisor (CTA) and a member of the National Futures Association (NFA) in such capacities.

The information on this website is not an offering or the solicitation of an offer to purchase an interest. Any such offer or solicitation will be made to qualified investors only by means of a final offering memorandum, which contains important information (including investment objective, policies, risk factors, tax implications and relevant qualifications) and only in those jurisdictions where permitted by law. In the case of any inconsistency between the descriptions or terms on this website and the offering memorandum, the offering memorandum shall control. The interests shall not be offered or sold in any jurisdiction in which such offer or sale would be unlawful until the requirements of the laws of such jurisdiction have been satisfied.

Risk Disclosure:

An investment in funds or related instruments is speculative and involves a high degree of risk. Opportunities for withdrawal and transferability of interests are restricted, so investors may not have access to capital when it is needed. There is no secondary market for the interests and none is expected to develop. The managed portfolio, which is under the sole trading authority of Varick Capital Partners LP, may employ leverage which can make investment performance volatile. An investor should not make an investment unless it is prepared to lose all or a substantial portion of its investment. The fees and expenses charged in connection with this investment may be higher than the fees and expenses of other investment alternatives and may offset profits.

Past performance is not necessarily indicative of future results.

No Guarantee or Warranty:

While all of the information on this website is believed to be accurate, Varick Capital Partners LP makes no express warranty as to the completeness or accuracy of such information.
